

FATIMA QAMAR

Full Stack Developer | AI Developer | Founder & CEO, Fixora

Wah Cantt, Pakistan | 0310-5652845 | 7atima.qamar@gmail.com | [LinkedIn](#) | [GitHub](#)

SUMMARY

Full stack developer specializing in AI-integrated web and mobile applications, with hands-on experience across React.js, Flutter, and backend systems. Founder and CEO of Fixora, an AI-powered home services marketplace app; also completed a full stack development internship building production-style front-end and back-end features. Builds complete, working products end-to-end, combining technical execution with product ownership and team leadership.

SKILLS

Languages: JavaScript, C++

Frontend: React.js, HTML, CSS

Mobile: Flutter

Backend & APIs: RESTful APIs, Full Stack Web Development (Front-End & Back-End)

AI: AI Feature Integration (recommendations, analysis, scoring systems)

Cybersecurity: Threat Detection & Security Monitoring Concepts

Tools: Git, GitHub

EXPERIENCE

Founder & CEO — Fixora

Ongoing

- Built and lead Fixora, a home services marketplace app connecting users with service providers.
- Designed the product architecture across a Flutter front end and a custom backend.
- Integrated AI-driven features and in-app payment processing into the platform.
- Lead end-to-end product direction, development roadmap, and business strategy from concept to launch.

Full Stack Development Intern — Capregspft (Pvt.) Ltd

3 Months

- Built and maintained front-end and back-end features using modern web technologies during a 3-month internship.
- Collaborated on real development tasks, applying full stack workflows in a production-style environment.

Volunteer, University Events Team — PAF-IAST University

- Coordinated field logistics, event planning, and promotional communications for university-wide workshops.

Online Community Coordinator — Forever

- Onboarded and engaged community members, maintaining follow-ups that improved retention.

Marketing & PR Team Member, Scale Up | Class Representative, PAF-IAST University —

- Contributed to communication, promotional activities, and outreach; represented the class in academic coordination with faculty.

RESEARCH & HACKATHONS

- Undergraduate Research (Active) — PAF-IAST University, under faculty guidance; developing skills in literature review, research methodology, and data analysis. Interests: AI, ML, Deep Learning, Computer Vision, AI Security. Goal: direct PhD after BS.
- CoolCity AI — FortyGuard Hackathon '26 (Team Lead/Developer): built an AI-powered urban heat intervention planner from concept to functional prototype. Live: cool-city-ai.vercel.app.

PROJECTS

All project repos: github.com/Fatima-Qamar

Fixora — AI-Powered Home Services Marketplace App

- Built an AI-powered marketplace app with service discovery, booking, provider matching, reviews, and payment processing.
- Integrated AI-driven features for service recommendations, issue analysis, and intelligent assistance.

Tech: Flutter, JavaScript, REST APIs, AI Integration, Payment APIs, Git/GitHub

SkillMatch AI — AI Career & Skill Gap Platform

- Built an AI-powered career guidance platform with skill scoring and personalized career-path recommendations via REST APIs.

Tech: React.js, JavaScript, HTML5, CSS3, REST APIs, AI Integration, Git/GitHub

SmartSpend AI — AI-Powered Personal Finance Analyzer

- Built an AI-powered personal finance web app with budget tracking and AI-driven saving recommendations, connected via REST APIs.

Tech: React.js, JavaScript, HTML5, CSS3, REST APIs, AI Integration, Git/GitHub

AI Crop Disease Detection — Computer Vision System

- Developing an AI-based computer vision system that analyzes plant leaf images to identify possible diseases and support agricultural decision-making.

Tech: Computer Vision, Image Analysis, AI Integration

EDUCATION

BS Computer Science — PAF-IAST University CGPA: 3.34 / 4.00

CERTIFICATIONS & ACHIEVEMENTS

- NAV TTC Certification — UX/UI Design
- C++ Programming Certification
- Participant — AI Hackathon
- Volunteer Certificate — International Expo (University Level)
- Winner — Tug of War (College Sports)
